Baguio Organized “Holiday Farm Day” Gathered Children and Youngsters to the Green Farm for New Joyful Experience

(Hong Kong, 10 May 2015) ----- The CSR Committee of **Baguio Green Group Limited** (“Baguio” / the “Group”) (Stock Code: 1397), a leading comprehensive environmental services provider in Hong Kong continues to fulfill its green mission to organize “Holiday Farm Day” in Tai Lung Hang Village, Sheung Shui on 9 May 2015 (Saturday), which impressed the participants with a brand new experience of green life and culture.

On the event day, approximately 20 participating colleagues led over 30 children from North District families to experience pastoral life, the activities included ecology roam, learning how to cultivate, innovative bread toasting and group games, etc. This activity enabled children from unprivileged families to have fun with big brothers and big sisters in the nice and green environment during weekends, which imprinted a memorable and joyful memory in their minds. The Group has always been taking care of physical and psychological health of its employees. The CSR Committee regularly organizes various kinds of after-work activities, which not only relieves pressure of employees, but can also promote their communication with other unprivileged groups and practically fulfill the corporate social responsibility.

Holiday Farm is combined with the features of environmental protection innovation, education and entertainment. It creates a series of adventurous activities, entertainment facilities with natural dynamics and interesting workshops about environmental protection. Visitors can get to know the circulative operations of natural ecology in the farm, enhance their understanding of the nature and the significance of environmental protection.
