The board (the “**Board**”) of the Company wishes to inform the shareholders of the Company and potential investors that, based on the information currently available to the management of the Group and the preliminary review of the unaudited consolidated management accounts of the Group, it is expected that a net profit of between approximately HK\$11.0 million and approximately HK\$12.0 million attributable to the owners of the Company for the year ended 31 December 2021 will be recorded as compared to a net profit of approximately HK\$51.4 million attributable to the owners of the Company for the year ended 31 December 2020. The information contained in this announcement is a preliminary assessment made by the management of the Company with reference to the information currently available including the unaudited management accounts of the Group. This announcement is not based on any figures or information that had been audited or reviewed by the Company’s auditors. The preliminary unaudited financial results of the Group for the year ended 31 December 2021 are expected to be announced by the end of March 2022.
