PROVIDE RECYCLABLE FOOD WASTE COLLECTION SERVICES IN
KOWLOON DISTRICT**

This announcement is made by Baguio Green Group Limited (the “**Company**”, and together with its subsidiaries, the “**Group**” or “**Baguio**”) on a voluntary basis, for keeping the shareholders of the Company (the “**Shareholders**”) and potential investors informed of the latest development of the Group.

The board of directors (the “**Directors**” and the “**Board**” respectively) of the Company would like to inform the Shareholders and potential investors that the Group has been awarded a service contract (the “**EPD Contract**”), valued at HK\$31.9 million, from Environmental Protection Department (the “**EPD**”) for the provision of recyclable food waste collection services in Kowloon District.

The appended press release contains further details.

By order of the Board of
Baguio Green Group Limited
Ng Wing Hong
Chairman

Hong Kong, 28 January 2022

As at the date of this announcement, the Board comprises Mr. Ng Wing Hong, Ms. Ng Yuk Kwan Phyllis, Mr. Ng Wing Chuen, Ms. Leung Shuk Ping and Ms. Cheung Siu Chun as executive directors of the Company and Mr. Sin Ho Chiu, Dr. Law Ka Hung and Mr. Lau Chi Yin Thomas as independent non-executive directors of the Company.

【For Immediate Release】

**Baguio awarded EPD service contract to
provide Recyclable Food Waste Collection Services in Kowloon District**

(28th January 2022 — Hong Kong) Baguio Green Group Limited (“**Baguio**” or the “**Company**”, Stock Code: 1397.HK) is pleased to announce that it has been awarded a service contract (the “**EPD Contract**”) by Hong Kong’s Environmental Protection Department (the “**EPD**”) for the provision of recyclable food waste collection services in Kowloon District. Baguio will collect recyclable food waste from widespread locations including shopping malls, cooked food centres, wet markets, hotels, restaurants, hospitals, elderly centres, commercial and residential buildings and government premises.

Under this EPD Contract, valued at HK\$31.9 million, Baguio will adopt various innovative technologies to collect more than 20 tons of food waste per day from more than 100 collection points. Food waste collected will be delivered to O.PARK1, Hong Kong’s first organic resources recovery centre turning food waste into renewable energy, in Siu Ho Wan of Lantau Island. Baguio will fully support EDP’s determination to encourage more food waste recycling and will take an active role to increase the number of collection points and the volume of food waste to be collected per day.

Being a leader of recycling in Hong Kong, Baguio is committed to contribute to the big-data development of food waste. Upon collecting any food waste under this EDP Contract, key information e.g. weight of food waste collected, source location, etc. will be uploaded instantly to the Baguio’s cloud-based IT system so that the food waste collection development in Hong Kong could be kept track of in real time. This is vital to support our city to know precisely where we are, what are the sources of significant food waste and how the food waste issue could be tactfully resolved by source reduction.

Baguio will start delivering service for this EDP Contract in February 2022.

Ms. Apple Ji, Assistant General Manager of waste management and recycling section of Baguio, commented, “Baguio is honored to be awarded for this contract to collect food waste in Kowloon District. According to the latest statistics released by EPD, there were on average 3,353 tons of food waste disposed to landfills each day in 2019. Food waste is the largest single component (30%) of Hong Kong municipal solid waste (“MSW”) in landfills. Baguio is very committed to resolve food waste issue in Hong Kong and we have been the food waste service provider of the Airport Authority Hong Kong for years.”
